For Companies and Individuals

# Payoneer System

- <https://www.payoneer.com/>
- Why Payoneer?
  - You have Payoneer or you want to pay by card.
  - Need to pay in another currency, not EURO. Maybe bank fees high, payment problems with SWIFT.
- We send you request for payment, if you choose this way (link or email).
- You see there an invoice (if needed) and amount in currency you asked (USD, GBP, etc.). Then pay by card, or as to local bank. It is simple.
